

No Decision About Me Without Me

Conference Registration Form

Positively UK in partnership with THT and NAT are running a one-day conference of people living with HIV. The conference will review the changing landscape of health and social care; and support people in building skills and taking action to influence change. Places at the conference are limited to 150. While we will try and accommodate as many people as possible, it will not be possible to offer places to everyone. We would be grateful if you could complete the following registration form. The information you provide will enable us to ensure we get a good mix of people geographically, representative of the diverse communities living with HIV.

The conference is being held on **Saturday 24 September** in Central London at the Congress Centre, 28 Great Russell Street, London WC1B 3LS.

Please be assured that information provided via this site is confidential, and your personal details will not be shared with anyone outside of Positively UK. Any data used will be made anonymous.

This form is only for the HIV community to attend as conference delegates. If you are not diagnosed HIV positive but are seeking to attend in a professional capacity please contact Positively UK for further information.

Forms can be completed electronically and returned by email to: conference@positivelyuk.org

Alternatively you can print this out, complete by hand, using block capitals and send to:
